

Adopt-A-Wish®

Adopt-A-Wish® provides an avenue for your group to help make the wish of a special child become a reality! Your group is given the opportunity to underwrite the cost of a chosen wish. This program differs from a general contribution to the Make-A-Wish® Foundation of Minnesota in that your group, either by yourself or in combination with other groups in your area, commits to raising the specific amount for an individual wish (the average cost of a wish is \$5000).

Through this program, it is possible for your group to choose a wish child in your community to sponsor. You will receive a brief write up (story board) about your wish child. This is only basic information like name, age, illness, number of siblings, favorite foods, hobbies, and some information on the wish itself. If a family has given permission for publicity, this information is used for flyers, posters, and if requested, a press release to promote the wish adoption.

Adopt-A-Wish donors are presented with a plaque for proud display in their home or business. The plaque serves as a keepsake and thank you to the donor for their support of the Make-A-Wish Foundation of Minnesota. Additionally, it could be possible for your group to personally present your chosen wish child with the announcement of your completion of their wish.

For more information about this program please contact Valeria Shuster @ (763) 398-1247.
